

Dr. Renee M. McGhee

An accomplished leader in professional and leadership development, Dr. Renee McGhee currently serves as B&W Y-12's Manager of Career ONE, a rotation and development program for new college hire engineers. Prior to her assignment in the Engineering division, Dr. McGhee was Y-12's Talent Management Director, responsible for the design and implementation of employee development tools for a diverse workforce of nearly 5,000.

Renee has an extensive human resource management background, including Compensation, Workforce Planning and Recruiting, and Human Capital Consulting. Her academic experience includes adjunct faculty in Business and Human Resources Management degree programs.

Utilizing her passion and talent for motivating and inspiring others through community service, Renee serves on the Board of Directors for Girl Talk, Inc., and on the Unit Board of Directors for the Boys and Girls Clubs of the Clinch Valley.

A lifelong learner, Dr. McGhee constantly seeks the next intellectual challenge, and enjoys empowering others to maximize their full potential.
